SECOND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450 January 21, 2004

Sir:

Pursuant to M.P.E.P. §609 and 37 C.F.R. §§1.56, 1.97-1.99, Applicants submit herewith form PTO-1449 (1 sheet) which lists references cited in the International Search Report (ISR) dated December 9, 2002 which issued in corresponding International Patent Application No. PCT/US02/04781. It should be noted that WO 96/23794 and WO 93/24476 were already cited and submitted to the U.S. Patent Office on August 8, 2002. A copy of the ISR is enclosed herewith. Applicants also enclose a copy of the International Preliminary Examination Report (IPER) which also issued in corresponding International Patent Application No. PCT/US02/04781 on October 20, 2003. It is noted that Applicants have not enclosed copies of the U.S. Patents cited on Form PTO-1449.

This submission does not represent that a search has been made or that no better art exists. While the terms "references" is used in citing the U.S. patents called to the Examiner's attention herein, Applicants do not make any admission that each or all of them are "prior art" references within the meaning of the statutory and case law.

Applicants reserve the right to contend, where appropriate, that a patent asserted against

any claim of the present application is not prior art under the facts and the law.

Applicants also reserve the right to present appropriate arguments and/or evidence to

establish patentability over the references, should one or more of the references be applied

against the claims of the present application.

Applicants request that the Examiner independently determine those items which the

Examiner would consider the most pertinent of all the references cited herein.

This Second Supplemental Information Disclosure Statement is filed before the mailing

date of a first Office Action on the merits. It is noted that an Office Action was received on

October 3, 2003, however, it was an Election/Restriction Requirement and not an Office Action

on the merits. Accordingly, it is believed that this document complies with the requirements of

37 C.F.R. §1.97(b) and that no fee is due. However, if a fee is due, the fee should be charged to

Deposit Account No. 02-2275. A duplicate copy of this sheet is enclosed.

It is respectfully requested that the references cited in the accompanying PTO-1449 Form

be considered and made of record.

Respectfully submitted,
